Chapter 06

RAW Provider : AkashicLibrarian
Translator : boke
Proofreader : mimi_lk, lambchopsil
Editor : Andere
Quality Checker : lambchopsil

IONO is back... Anyone happy for this?

Well, this chapter is the beginning of the 2nd volume (which hasn't been released yet) and using magazine scan, means that the quality isn't good as before. This also applied to the next chapters... Umm.. this chapter is not too long, but takes me a whole night to edit this. Sigh.

Whatever . Enjoy...
